HOME IMPROVEMENT REQUEST FORM

To preserve the appearance and value of your community, it is required that all improvements to the exterior of any home be approved by the Architectural Control Committee (ACC). If any improvement or change is made without the prior consent on the ACC, the committee may require you to return the property to its original condition at your expense. The approval process takes approximately thirty days, and you will be notified of the results by mail. Please be advised that the ACC is not responsible for ensuring compliance with local or state codes or requirements. All required permits and easement encroachment violations are the responsibility of the homeowner.
